

JOB ROLE

SENIOR ACCOUNTANT

About the Role

We are recruiting for an ambitious Senior Accountant with international experience and an entrepreneurial mindset to join our dynamic Ballasalla-based team.

As a Senior Accountant you will play an integral role within our accounting team, actively collaborating with the team to deliver excellent service to our inhouse companies and clients. Flexible in your approach with the ability to manage a small team of bookkeepers across multiple projects within a client-focused, entrepreneurial environment, you will be a self-starter responsible for managing a portfolio of our clients' assets.

Skills and Knowledge

- Ideally, you have experience in working within a CSP or yacht management environment and you are a fully qualified ACCA/ACA/CIMA or similar with a minimum of 5 years post-qualification experience.
- You must be experienced with UK VAT and Tax returns and be familiar with IFRS and UK GAAP accounting.
- As a forward-thinking company, we employ state-of-the-art software which allows our team to focus on value-added work, thus having experience with Xero accounting will be beneficial but is not essential.
- Since our client relationships are key to our success, you must have excellent client relationship skills and
- Be able to work within tight deadlines to the high expectations set by our clients.

The duties of the role include, but are not limited to the following

- Assisting with client and management accounting.
- Executing monthly and year-end reconciliation processes.
- Overseeing month-end closures of foreign currency adjustments on foreign currency bank accounts, loans and customers/suppliers accounts and staff accounts.
- Assisting with monthly management accounts and annual financial statements as required.
- Ensuring accurate monthly client invoicing, including credit notes as applicable.
- Ensuring timely and accurate delivery of client services and assignments.
- Other ad-hoc duties as and when required.

What the Company offers

- A competitive market related salary and benefits will be offered to the right candidate based on relevant experience and qualifications.
- Benefits include pension, bonuses and private health.
- 22 days holiday allowance which increases by one year-on-year up to a maximum of 27 days.
- Ongoing training and personal development.
